25kg long	790 x 395 x 255	730 x 335 x 195	3	21	30

\*all boxes are available in eps

## Deluxe EPP Reusable Boxes

### What Are They?

The Deluxe Box range is designed to be reusable even after transportation. Manufactured in the UK from expanded polypropylene (EPP) the boxes offer the same unbeatable insulation and lightweight qualities as our EPS range but as the material is more heavy duty the boxes can be reused.

All boxes come with recessed ergonomic handles for easy movement, tight lids and stackable rims for easy storage and to maximise space. They also accommodate a wide range of Gastronorm trays.

### What is EPP?

Expanded polypropylene (EPP) belongs to the same material family as expanded polystyrene (EPS).

EPP known by its trading name ARPRO® is an expanded foam. Commonly used in the automotive industry for impact protection and seating inserts, it is also found in crash helmets and baby seats.

Like EPS, EPP offers excellent insulation

qualities, it is extremely lightweight but significantly more durable and robust than EPS, EPP is;

- Fully Washable
- Non-Toxic & Hygienic
- Food Safe
- Does Not Harbour Germs
- Used in Infection Sensitive Environments

EPP has a presentable and professional material finish which is ideal for some business applications.

### Potential Applications

Catering Applications

- Hot or Cold Catering
- Food Retailers
- Events and Festivals

Deliveries

- Food Transit
- Door to Door Deliveries
- Meals on Wheels
- Meat, Veg and Fruit
- Farmers Markets
- Food Wholesalers

- Pharmaceutical and Medical Supplies
- Pet Industry
- Live Food
- Frozen Food for Reptiles
- Sport / Leisure
- Fishing Bait

Other

- Schools and Nurseries
- Lunch Box Storage (schools/nurseries)
- Sport / Leisure
- For picnics and drinks coolers
- Supermarket Shopping Boxes

Combine the boxes with a cooling medium like an ice sheet and food is kept fresh for up to 48hrs.

### Need Something Different?

JB Packaging stock a wide range of EPS & EPP boxes, foam liners, waxed cardboard boxes, ice sheets and sundries. We offer customised packaging with print options, and are happy to advise on tailored solutions.

Please do not hesitate to contact us for advice on any packaging queries.
